WARNING

CAUTION!

This monitor desktop mount must be securely attached to the horizontal desk. If the mount is not properly installed it may fall, resulting in possible injury and/or damage.

Step 1 Install the “C” Clamp According to the Desktop Thickness

The depth of “C” clamp can be changed in three positions. Choose the proper depth according to the thickness of your desktop. Connect it by 2pcs M10x15 bolts(i), using the supplied Allen Key(j).

Step 2 Install Arm to the Tube Support

Install arm to the tube support. Make sure the wire clip is downside. Fasten the bolt by a screw driver.

Step 3

Mount the Monitor to VESA Plate

For Flat Back Monitor

For Curved Back Monitor

Step 4

Do Necessary Adjusting & Manage the Wires

Thank you for choosing Dayton Audio
