## **Deliver Room-Shaking Bass to Any Room!**

DAYTON, OH – If you like to turn up the bass, this Dayton Audio SUB-1500 is for you! Dayton Audio's SUB-1500 powered subwoofer features an enormous, heavy-duty 15" woofer, for huge air movement and massive low end performance. It's also built with an efficient Class-D amplifier that combines 150 watts of house-shaking power with excellent control.

The bottom-firing flared port bass reflex design reduces port noise at high output, for cleaner bass that blends more effortlessly with your system and room.

The low profile enclosure with rounded corners, modern styling, and unobtrusive black vinyl finish will complement the décor of any home theater room.
